

2024 Teacher Learning Team

This January 24th, CASE hosted a return of the “Teacher Learning Team” collaborative meeting. Self-contained teachers across the Cooperative met to network and discuss important topics relevant to all special education classrooms. The following topics were discussed: supporting intensive behaviors, developing a framework for collaboration and problem-solving solving, and planning for dynamic reading instruction.

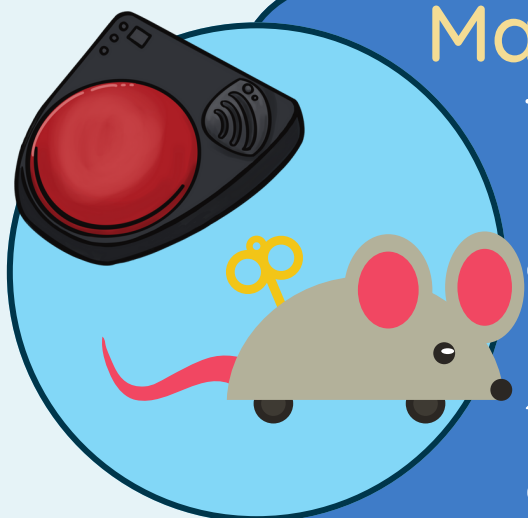

Holiday Performance of the Gingerbread Man

CASE related service staff (SLPs, OTs, and PTs) collaborated with D93 staff in the Specialized Academic Classrooms at Elsie Johnson to perform an interpretive performance of The Gingerbread Man and the Polar Express.

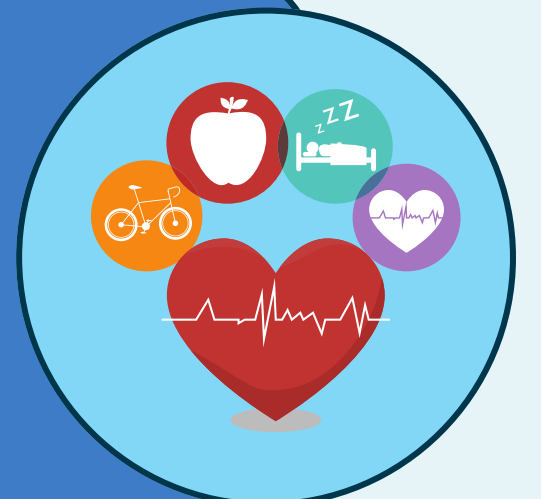

Makers Day Festivities

The CASE Assistive Technology Team hosted their annual “MAKERS DAY” professional development event. CASE and district staff were invited to learn how to convert common battery-operated toys to switch-adapted toys. Switch-adapted toys are provided to our most complex students to provide them opportunities to interact with their environment independently.

CASE Wellness Committee hosts annual Bioscreening

CASE Staff will be participating in wellness screenings on Monday, February 26, 2024, and Wednesday, March 13, 2024.
