Adapted PE

Glenbard North talent show coordinated by **CASE APE** teacher **Sherilyn Sullivan**. Students work with their peer leaders on a short presentation showcasing their talent.

District 89 University

Second grade students in Ms. Catherine Hornig's class at **Park View Elementary** recently completed Passion Projects. Students then taught each other and parents about their passions through engaging conversations. The final community event was the result of staff attending the new **D89 University** course titled, *Restorative Practices: Innovator's Mindset* led by **CASE** administrator, **Dr. Matt Epperley**.

Vision Services

CASE Vision Itinerant and Certified Orientation & Mobility Specialist, Lauren Mehalek took her students on the annual trip to Brookfield Zoo in May.
