OUR BLUEPRINT

CASE OPENING DAY: EXCELLENCE THROUGH COLLABORATION

This year at our CASE Opening Day event, Dr. Mary Furbush highlights the CASE [Vision](#) and [Mission](#) and the [Strategies](#) and [Actionable](#) steps towards achieving them.

CASE

CASE STAFF GIVING BACK

CASE Vision Itinerant, Caitlin Miller (above) gives back during her summer break. Marine Corps Veteran Robert Smith lost his vision in February 2023. He just graduated from Hines VA's Blind Rehabilitation Center and is learning to live again. "This place saved my life." Smith said. CASE would like to thank Caitlin for her professional dedication and spirit, we are proud of you!

PROFESSIONAL DEVELOPMENT

August 2023:

CASE provided CPI Trainings for D15, D87 & D89

August 11, 2023:

CASE Assistive Technology Team trained D93 Speech Pathologists and all the ECC staff on "AAC Implementation in the Classroom."

August 21, 2023:

Dr. Matt Epperley trained Glenn Westlake Middle School in D44 during their opening day on 'Restorative Practices.' Dr. Epperley will be working with GWL this year on this implementation.

August 21 & 28, 2023:

Tricia Sharkey and Nikki Norman trained D93 middle school staff on "Selective Mutism." Tricia and Nikki will be working with the D93 elementary SA Classroom teachers and related staff in September on this topic.

Fall 2023:

CASE Assistive Technology team will be working with D93 elementary SA Classroom teams on the "Comprehensive Literacy for All" approach to addressing literacy for students with complex communication needs through a series of trainings during their early release Mondays.

Fall 2023:

CASE Instructional Support Team (IST) members, Sarah Jeziorny-BCBA and Kim Alston-BCaBA will continue work with district Paraprofessionals on "Behavior Management" during district SIP days.

IAASE

The Annual IAASE Conference is scheduled for October 19-20, 2023 in Tinley Park.
