Community Learning

Above: Students in Kiley Greco's class (D89) took a community learning trip to Johansen Farms to participate in fall activities. All the students boarded the train for a trip around the farm!

Restorative Practices

Above: Dr. Matthew Epperley spoke on the topic of restorative practices in leadership at fall conferences for the Illinois Principal Association (IPA) and the Illinois Association of Administrators of Special Education (IAASE).

Glenbard Early Childhood Collaboration

Left: Carol Fate and Jeanine Woltman participated with the Glenbard Early Childhood Collaborative to celebrate Halloween with trick or treating at the Glendale Heights Police Department's Safety Town. In addition to supporting families and children, the pair won second place for décor!
