Presentations/Workshops

D15 – Special Education Recordkeeping – Keeping Track of Student Progress

D15 - CPI initial – De-Escalating Behavior

D15 – 100 Ideas and Strategies for Struggling Students

D93 – Hillside – Coteaching Strategies and Planning

Training and Conferences

Nicole Paneque and Kim Kearney attended the ATIA (Assistive Technology Industry Association) conference. They will follow up with the SLP learning team, the OT learning team, the Instructional Support team and within the districts they serve.

Wendy Barickman and Sarah Jeziorny attending the “Kids We Lose” documentary and discussion with District 89 staff.

D15 Executive Functioning Parent Night

Tracy Kunce led a parent workshop on Executive Functioning. She talked with the parents about the types of activities that she and the teachers have been doing with students in the classroom

and how parents could extend and support this learning at home.

Office Renovations Timeline

Spring Break 2020 – CASE office in Glen Ellyn – D89 has been managing much of this – thank you!

Summer 2020 – CIS office

Summer 2020 – move to D93 from D16

Prevention Initiative Extension Grant

CASE is intending to write for the PI Extension Grant which will allow us to provide services to additional families. At time, Jeanine is reviewing the grant requirements.

Area-Wide Hearing Itinerant Teachers Meeting

Philip Endicott from Gallaudet University attended the meeting to talk to Deaf and Hard of Hearing teachers about opportunities at the college as well as admission requirements. Stacy Michels from Phonak presented on the newer technologies – particularly software receivers and touchscreen transmitters. A “What I’ve Learned” session followed.

Transportation Data as of 2/1/2020
