Subject: COVID Mitigation Update

Good Morning Everyone,

As you are aware, late yesterday, an Illinois judge ruled on a lawsuit filed by more than 700 parents across the state that challenged state-mandated COVID-19 mitigations.

As the district leadership, I want you to know that administration, in consultation with our attorneys, is in the process of reviewing the judge's ruling and how it could potentially impact our current mitigation efforts.

We will communicate with you as soon as possible on whether or how this ruling will impact District 15 students and staff. For now, know that mask wearing is still required by all individuals inside our schools.

Thank you in advance for your patience as we review this decision and our plans.
Thank you for your continued support of our students and your

Jerry
Superintendent
MSD15
